Cautionary Statements

Purchases

- We accept this as your agreement to the [Transportation Agreement](#), [Fare regulations](#) and [Privacy Policy](#).
- Restrictions apply in case of changes (date, time, passenger) and refunds. Please check [Fare regulations](#).
- Additional checked baggage options can also be purchased at the airport counter, but a separate administrative fee will be charged for purchases at the airport counter. We recommend that you make a reservation on the website in advance.
- ZIPAIR does not provide transfer services except for specific flight connections booked through the contact centre. If you are transferring by yourself, you will need to clear immigration, collect checked baggage, and clear customs inspection upon arrival at the connecting airport.
- Refunds and changes are not allowed. (If you've purchased a ticket for a flight to or from the USA, you may cancel your ticket without penalty within 24 hours of your booking – as long as that reservation is made one week or more before your flight departs.)
- **The details of your reservation are not eligible for travel cancellation insurance or overseas travel insurance (please check [insurance introduction](#) for more details).**

Onboarding Rules

- ZIPAIR asks passengers to wear seat belts at all times for safety reasons.
- Please make sure you do not have any [Dangerous Goods/Prohibited Items](#) inside your Carry-on Baggage.
- ZIPAIR does not accept cash payment at the airport or inflight.

I have read the cautionary statements about purchases and onboard.
